PROCEEDINGS OF THE SOCIETY

MINUTES OF MEETING Boston Society of Civil Engineers

SEPTEMBER 24, 1962:—A regular meeting of the Boston Society of Civil Engineers was held this evening at the United Community Services Building, 14 Somerset Street, Boston, Mass., and was called to order by President George G. Bogren, at 7:00 P.M.

President Bogren stated that the Minutes of the previous meetings May 16, 1962 and May 23, 1962 had been published in the Journal and that the reading of those Minutes would be waived unless there was objection.

President Bogren announced the death of the following members:

William C. Paxton, Jr., who was elected a member November 16, 1938 and who died August 22, 1962

Albert E. Sanderson, Jr., who was elected a member November 26, 1941 and who died August 12, 1962.

The Secretary announced the names of applicants for membership in the

Society and that the following had been elected to membership on June 18, 1962:—

Grade of Member—John F. Brady*, Cosmo D. Capobianco*, Richard D. Howard*, Francis H. Nix, Gerald S. Shelby, Stanley R. Campbell*, Thomas M. Wenham.

President Bogren announced that the Student Night meeting which is Joint with the Mass. Section of ASCE would be held at Worcester Polytechnic Institute, Worcester, Mass., on Wednesday, October 17, 1962.

President Bogren requested Prof. Gordon M. Fair to introduce the guest speaker of the evening.

Prof. Fair introduced Sir George M. McNaughton, President of the Institution of Civil Engineers, Westminster, London, England, who gave a most interesting talk on "Work and Aims of The Institution of Civil Engineers."

A discussion period followed the talk. Forty-eight members and guests at-

tended the dinner preceding the meeting and sixty members and guests attended the meeting.

The meeting adjourned at 8:15 P.M.

CHARLES O. BAIRD, JR., *Secretary*
